One sunny day, Mia decided to explore. She took a deep breath and stepped into the woods.

Mia heard a rustling sound. What could it be? Her heart raced with curiosity.

Out popped a tiny dinosaur! It had shiny scales and a friendly smile.

Mia giggled and waved. 'Hello, little dinosaur! What's your name?'

'I'm Dino!' it said, bouncing happily. 'Want to play with me?'

Mia nodded eagerly. They decided to play hide and seek!

Mia searched high and low. 'Where are you, Dino?'

Suddenly, Mia spotted a funny tail sticking out! 'Found you!'

Dino laughed and said, 'You are a great seeker, Mia!'

As the sun began to set, Mia knew it was time to go home. 'I'll miss you, Dino!'

Dino smiled. 'Come back anytime, Mia! We can have more adventures!'
